## Payment Terms

All school year started is due.

*Payment in full or by installment:* Tuition can be paid in full or installment basis. Payment for an installment is due before the beginning of the installment period: e.g, if the tuition is to be paid in full, payment is due by 31st August or upon date of registration (whichever comes first); if tuition is to be paid in 10 installments, the payment of the 1st installment is due by the 31st August or upon date of registration (whichever comes first) and each subsequent payment is due by the end of the previous month (end of March for April).

*Late registration:* Kits4Kids International registration is open until the start of the October break or until the class maximum students' number is attained (whichever comes first). Students joining the school during the course of the school year are charged the whole school year. Tuition cannot be prorated. Full school year is due for any school year attended by the student.

*Students Leaving:* Should any student leave the school throughout the school year for any reason, no fees will be reimbursed and the tuition fee for the whole school year is still due. Tuition cannot be prorated. Full school year is due for any school year attended by the student. Failure to settle the balance will lead to the students not getting their final transcript and certificates.

*Tuition Fee Card:* All students enrolled with the school will be issued a Tuition Fee Card for follow up. Make sure to present your child's tuition fee card at the school reception upon payment for validation.
